Old Business:

1. Drainage system by basketball court fixed. Work completed by HRCE.
2. ZUMA chairs have arrived and used SAC funds to finance them. Awarded a class set of broomball equipment from a grant that we received.
3. LOGO is on hold as Home and School have yet to have their meeting. Sarah will contact.

New Business:

1. Sharing Community Info- Laila brought up that in this current world climate that people are feeling very isolated and it is hard to get to know people and hard for the students to have people to play with. Laila wondered if we could put together a list of parents phone numbers and share with school community. Sarah said this is not possible as that info is private. As a school community , we can not share that information. Laila was wondering if we could ask parents if they wanted to share in formation and only put that info in the document. Sarah stated she would ask her supervisor but she didn't think so. Paula mentioned that some students have business cards that they hand out at school with their phone number on it. Committee thought that would be a good idea for anyone that was interested.

Meeting was adjourned and next date was set for April at 2:30.
