March 30th, 2021

Dear Shatford Families,

Report cards will be sent home on April 6th. Once again there will be no paper copies sent home, and we will be using the same process as we did first term sending report cards to parent emails. It is highly recommended that you do not use a Hotmail account as your primary email. For some reason, not all report cards deliver to Hotmail accounts. If you have a Hotmail account or had a change in your email address, please contact the office by phone 902-857-4200 or by emailing nshore@hrce.ca.

Due to COVID-19 parent teacher interviews will continue to be conducted via a phone call home on April 8th. Your child(ren)'s classroom teacher would love to discuss your child(ren)'s strengths, challenges and what they can work on at home. These phone calls will take place between 1:00 pm to 6:00 pm on April 8th.

Please check one of the following options that would best suit your schedule so that your child(ren)s classroom teacher will have the best success at reaching you. Teachers will send home a confirmation of the time by April 7th. Please make sure you are connected to a phone for ten minutes before and after the scheduled appointment in case your child(ren)s teacher(s) are running early or late.

Please understand that teachers will do their best to accommodate all requests.

Thank you.

Sarah Wile

Principal at Shatford Memorial
